

RF Wireless RGBW Receiver with Touch Remote Controller*Partcode: ILRC007 / Page: 1*

This RGBW colour RF (Radio Frequency) receiver and touch remote control can be used with Integral RGBW colour changing strips. With the RGBW colour changing remote control, you can easily change the strip colour by choosing the colour area on the central touch circle or pressing the mode button for 12 colour modes, control the brightness and change the speed when choosing the dynamic light mode. You also can control the 'White' colour chip individually by pressing the 'W' button. An easy-to-follow installation and operating guide can be downloaded from our website.

Product Details

Partcode: ILRC007

Check Code: 975658

Range Name: Colour Strip Controllers

Product Type: Controllers for strips

Warranty: 5 Years

CE / RoHS: Yes

Physical Data

Material: PCB, Plastic Shell

Physical Data

Weight (Unpackaged Single Unit): 167g

Electrical Data

Voltage Range: 5-24V

Driver included: No

Electric Current: DC

Dimming: Dimmable

LVD Certified: Yes

EN: EN-60950-1

Partcode: ILRC007 / Page: 3

Environmental

Lowest Operating Temperature: -30 degrees

Maximum Operating Temperature: 55 degrees

Packaging

EAN Barcode (unit of 1): 5055788216896

Packaged Weight (Unit of 1): 225g

Length (unit of 1): 227mm

Width (unit of 1): 155mm

Depth (unit of 1): 30mm

Outer packaging info available on website
